

## ROHS

### DECLARATION OF CONFORMITY

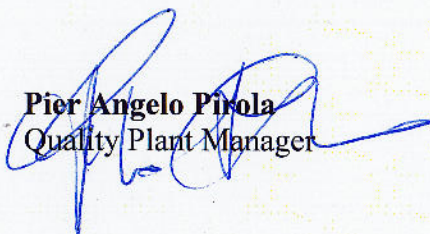

We hereby declare the capacitor belonging to motor and lighting series are conform to the Directive (EU) 2015/863.

The component does not contain the following substances exceeding the maximum concentration values tolerated by weight in homogeneous materials:

Substances	Maximum concentration values	
Lead	0,1 % by weight in homogeneous materials	1g/kg - 1000ppm
Mercury	0,1 % by weight in homogeneous materials	1g/kg - 1000ppm
Cadmium	0,01 % by weight in homogeneous materials	100mg/kg - 100ppm
Hexavalent chromium	0,1 % by weight in homogeneous materials	1g/kg - 1000ppm
Polybrominated biphenyls (PBB)	0,1 % by weight in homogeneous materials	1g/kg - 1000ppm
Polybrominated diphenyl ethers (PBDE)	0,1 % by weight in homogeneous materials	1g/kg - 1000ppm
Bis (2-ethylhexyl) phthalate (DEHP)	0,1 % by weight in homogeneous materials	1g/kg - 1000ppm
Butyl benzyl phthalate (BBP)	0,1 % by weight in homogeneous materials	1g/kg - 1000ppm
Dibutyl phthalate (DBP)	0,1 % by weight in homogeneous materials	1g/kg - 1000ppm
Diisobutyl phthalate (DIBP)	0,1 % by weight in homogeneous materials	1g/kg - 1000ppm

The final manufacturer remains responsible for the compliance of the complete equipment using this product.

Villa d'Adda, 25 March 2019
